

# RAPID KNEE PAIN RELIEF, LONG-TERM EFFECTS.

YOUR BAUERFEIND TRAIN SUPPORT.

## GenuTrain® PAIN-RELIEVING KNEE SUPPORT

- + Targeted pain relief
- + Secure support for the knee joint, thanks to muscle activation
- + Proven relief and stabilization of the knee joint\*
- + Quicker reduction of inflammation and swelling
- + With breathable knitted fabric and a particularly soft bending zone
- + Integrated donning and doffing aid

“The Hoffa’s fat pad provides the knee with nutrients and positively impacts local metabolism. It plays an important role in pain control and mobility.”

Christian Teusch,  
Specialist in Orthopedics and Trauma Surgery

## FIND A MEDICAL RETAILER NEAR YOU

Our retailer search feature will help you quickly find a medical retailer, for example a medical supply store, where you can get our GenuTrain® knee support: [bauerfeind.de/haendlersuche](http://bauerfeind.de/haendlersuche). Our Quality Partners will provide expert advice and carry out professional measurements to make sure your medical product will fit perfectly. This is essential to ensure its full effectiveness.

## DOWLOAD THE BAUERFEIND TREATMENT APP

Use our Treatment App to strengthen your knee and actively combat pain. Download the app free of charge at [bauerfeind.de/app](http://bauerfeind.de/app).

Your personalized training program specifically adapted to your indication and your GenuTrain.

- 01 Integrated donning and doffing aids** make it easier to put on and take off your support
- 02 Soft comfort zone at the back of the knee** ensures comfort during activity and extended periods of wearing the support
- 03 Anatomically contoured Train knit** for optimized medical effectiveness, thanks to the perfect fit
- 04 Omega+ Pad** ensures noticeable relief of the kneecap and quicker reduction of swelling and effusions
- 05 Meniscus wings** massage sensitive areas around the anterior joint space for long-term pain relief
- 06 Hoffa pads** target the Hoffa's fat pad, a pain trigger point, to promote self-healing and stabilization
